Your Excellency,

As a year has elapsed since the Secretary of our Solidarity Committee drew your kind attention to the non-implementation of Resolution 3390 B (XXX), November 18, 1975, resolved at the 30th session of the U.N. General Assembly, though two years had passed since its adoption, I hereby, in conformity with the unanimous approval of the Solidarity Committee as per above address, do re-echo the appeal therein expressed.

That the above quoted U.N. Resolution still remains unheeded in spite of the fact that three years have passed-by since the United Nations had accomplished a historic achievement by the passage of a resolution that filled the hearts of all freedom loving peoples with hope that at last the peaceful reunification of Korea would become a "fait accompli" in the not far distant date.

We, the members of the Gambian Committee For Solidarity With Korean People in their righteous struggle for the independent peaceful reunification of their fatherland, therefore, solicit Your Excellency to exact all that in your power lies and see to it that:-

- (a) All U.S. troops, not only ground forces, but also airborne and all lethal implements of war, such as nuclear weapons, be withdrawn from south Korea;
- (b) Cessation of arms reinforcement and war provocative moves of the United States forces in south Korea be brought about;
- (c) The U.S. Government accepts and implements the replacement of the Korean Military Armistice by a peace Agreement even as raised by the Government of the Democratic People's Republic of Korea;

- (d) The matter of the peaceful re-unification of Korea pursuant to the Three(3) Principles of Independence, Peaceful Reunification and Great National Unity, published in the North-South Joint Statement, be promulgated without further delay.

In saying this the Gambian Committee For Solidarity With the Korean People solemnly recalls that the United Nations assumes a heavy responsibility for the preservation of an eternal peace and security in the world today and that since such an August World Body has passed at its 30th Session a resolution replete with seeds of peace and unity in the Korean peninsular as Resolution 3390 B (XXX), November 18, 1975, its implementation should be hotly pursued and effected without delayance.

With best wishes and highest regards,

Yours sincerely,

( The Very Rev. J. C. Faye,  
O.R.G., M.B.E. )

Chairman of  
The Gambian Committee For  
Solidarity With Korean People.
