Monsieur Samaranch,
President du Comite Olympique International,
Chateau de Vidi,
CH 1007 Lausanne,
Suisse,

January 6, 1985,

Dear sir,

We would like to appeal to you to consider the re-sitting of the 1988 Olympic Games from Seoul to a more suitable place.

The authorities in Seoul intend to use the Games to further their aim of the complete division of Korea, against the ideals of the Olympiad they will make political capital from the Games. Korea is on the verge of war as a result of the actions of these people who are persecuting their own people at this very moment!

Many other nations are prepared to host the Olympic Games and we hope sincerely that you will choose one of these.

Yours Sincerely,

Granville V. Stone (Secretary) William Wilson D.L., (President).
