“State Department cable 59655 to US Embassy United Kingdom, 'Indian Nuclear Intentions',“ April 07, 1972, History and Public Policy Program Digital Archive, National Archives, Record Group 59, SN 70-73, AE 1 India. Obtained and contributed by William Burr and included in NPIHP Research Update #4. https://digitalarchive.wilsoncenter.org/document/113898

Summary:
The British Government took the same view as the Canadians, seeing no evidence that the Indians had made a decision to do a nuclear test, although they had the “capability.”
