RESOLUTION "B" No 8 OF THE SECRETARIAT OF THE CENTRAL COMMITTEE OF THE
BULGARIAN COMMUNIST PARTY FROM 8 JUNE 1966

The CC BCP Secretariat approves the proposal that Comrade [Cuban intelligence chief Manuel] Piñeiro visit our country. We can accept 30 people for training only on counterintelligence work. We have no conditions to train people on sabotage.^[1]

Top Secret

TO THE SECRETARY OF THE CC BCP COMRADE LUCHEZAR AVRAMOV ^[2]

Comrade Avramov,

At a meeting with Comandante Sergio Del Valle – Politburo member of the Cuban Communist Party, captain Osmani Sienfuegos – head of the Foreign Affairs Commission at the CC of the CCP and Secretary General of the Tricontinental Committee and Comandante Manuel Piñeiro - member of the CC of the CCP and head of the State Security service, before my departure from Havana on 21 May there was a demand for accepting 30 Cuban comrades for training in sabotage and contra revolutionary activity. They consider the training period to be about a year and the training itself should be at our expense. They expect to receive an answer in principle not later than 5 or 6 June this year. They can send Comandante Piñeiro to our country to coordinate the details.

I answered I would report the issue to the respective people and they would be informed about the result.

I would like to ask you for your instructions.
