Letter from the State Planning Committee of the Ukrainian Soviet Socialist Republic to the
Academy of Sciences of the USSR “On the Viability of the Cyclotron Construction in UIPhT[i]
”, 22
February 1940[ii].

The Ukrainian Institute of Physics and Technology of the Academy of Sciences of Ukrainian Soviet
Socialist Republic proposed to the Council of People's Commissars of Ukrainian Soviet Socialist
Republic to construct the cyclotron by this institute.

Approximate cost of the cyclotron is 1,5 million rubles, and the cost of designing is 75 thousand
rubles.

The State Planning Committee of the Ukrainian Soviet Socialist Republic requests information
about the viability of constructing a powerful cyclotron by UIPhT, as well as about the amount of
necessary expenditures for its construction and designing.

Deputy Director of the State Plan of Ukrainian Soviet Socialist Republic V. Skulsky

Письмо Госплана УССР
в АН СССР и физические институты
«О целесообразности строительства циклотрона в УФТИ»

22 февраля 1940 г.

Украинский физико-технический институт АН УССР обратился в Совнарком УССР с предложением построить при этом институте циклотрон.

Стоимость циклотрона ориентировочно определена в сумме 1,5 млн рублей, а стоимость проектирования - в 75 тыс. рублей.

Госплан УССР просит сообщить нам Ваше мнение о целесообразности постройки мощного циклотрона при УФТИ, а также о сумме необходимых затрат на его проектирование и строительство.

Заместитель председателя Госплана УССР В. Скульский
