The comrades have already been prepared to depart.

B. The radio station in Ghulja should be organized to establish communications with the CPC CC (Beijing) and with Cde. Peng Dehuai, the Commanding General of First Front. At first this radio station should also establish communications with the Moscow radio station. This is necessary in order to help the radio station in Ghulja quickly establish communications between it and Beijing and the Headquarters of the First Front. If you agree with this, please give instructions to the appropriate body.

Liu Shaoqi
