Spec. N° 423

To Cde. MOLOTOV

In our N° 408-411 (incoming N° 32938) in point two we reported that in case of a decision is made to form a commission on Korea, it is not advisable for us to take part in it. In your N° 293 there is no response to this question. If we do not receive an answer by the 30 October session, we will try to avoid this issue without making any statements at this time as to our participation.

I request the response via express telegram.
