"From Donald R. Cotter, Assistant to the Secretary for Atomic Energy, to Major General Wickham, 'Nuclear Safety Talks with France'", April 1, 1974, Wilson Center Digital Archive, Nixon Presidential Library, HAK Office Files (HAKO), box 56, French Exchanges (1 of 2). Obtained and contributed by William Burr and included in NPIHP Research Update #2. <https://digitalarchive.wilsoncenter.org/document/113234>

**Summary:**

Cotter briefs Wickham on recent talks with the French, noting that they have centered mostly on nuclear safety issues. He briefly outlines what he will soon write to Baron, and notes that the French mainly want further operational assistance.
