Department of State**

Citation:

"Cable 591 from the US Embassy in Argentina to the Department of State", October 27, 1964, Wilson Center Digital Archive, National Archives Record Group 59, Department of State Records Subject-Numeric File, 1964-1966 Inco-Uranium. Originally published in Avner Cohen and William Burr, eds., National Security Archive Electronic Briefing Book #432 (June 25, 2013). <https://digitalarchive.wilsoncenter.org/document/117158>

Summary:

When embassy officers provided the aide-memoir and the paper on IAEA safeguards to Admiral Quihillalt, the chief of the National Atomic Energy Commission, he was more receptive to the US position than previously and was glad to know that the US was not in touch with the Israelis about the sale.
