Central Committee of the Chinese Communist Party  
Central Directive [63] No. 802  

Response on the Problem of Counterattacking the Rumors and Slander against China in Soviet Radio Broadcasts, Newspapers, and Magazines  

[To the] Xinjiang [Uyghur] Autonomous Region Party Committee and the Northwest Bureau:  

[We] received the regional Party Committee's [report] "Request for Instructions on Counterattacking the Rumors and Slander against China in Soviet Radio Broadcasts, Newspapers, and Magazines" on 10 November, Our response is as follows:  

(1) The Central Committee will issue unified instructions to all regions on the designation of dedicated teams to study and compile anti-revisionist articles, [so] please follow these instructions. You may compile some articles first and submit them to the Central Commission for approval before publishing them.  

(2) The Central Radio Bureau will formulate a solution on responding to the Soviet revisionists' radio station in Alma-Ata [Almaty].
