

大 統 領 秘 書 室

This afternoon Mr. Chin Hang Kong of our APACL called on Minister De Castro's Office or our Government/ and informed him that our APACL/cannot afford to help philippino delegates to the Anti-Communist Youth Conference at Seoul which would be held in October but urged him to request Philippine APACL to send large group of delegation to this Conference.

To this request, Minister De Castro promised to convey this and urge Mr. Hernandez to do so as soon as he arrives at Manila.
