1- The General Military Intelligence Directorate provided us with the following information:

A- The Wireless Reconnaissance of the Technical Equipment Directorate had provided us with the following information on 13 December 1991:
A well-trained group of the Zionist Special Forces infiltrated to Baghdad in order to assassinate high-ranking Iraqi Officials. The agents, who are working for the Israeli Intelligence Service (Musad) in Iraq, will help this group. They will try to assassinate President Saddam Hussein.

B- The Sunday Times Newspaper published information, which stated that the American army prepared a plan to assassinate President Saddam Hussein as well as to target the central shelter located at north Baghdad.

2- We suggest informing the Special Security Organization about the aforementioned information.

- 1- Department of Senior Companions*
- 2- Without mentioning the article (B)*
- 3- To notify the commanders of 1st, 2nd and 5th Regiment of the Special Republican Guard*
